Eastern Oregon University - Overview

Eastern Oregon University serves as an educational, cultural and scholarly center in La Grande, Oregon. Founded in 1929, EOU is the only four-year university in the region and is situated in a remarkable mountain setting in the eastern part of the state. EOU is a student-centered university and its success is measured by the achievements of its graduates. The personal attention students receive is enhanced by the small size of the campus.
EOU-WHERE WE ARE

- Baker County
