Guidelines for State’s Members Selecting their Representative

Referenced in the bylaws: Article II, Section 2a

The Alliance members’ official representatives in each state determine who among them will serve as their representative on the Executive Committee. The method used for this process is at the discretion of the members in each state. These guidelines are intended to articulate the level of commitment and the characteristics of individuals who would be meaningful contributors to the Alliance Executive Committee.

Commitment

Executive Committee members are expected to attend two face-to-face meetings; one in the summer for planning and the second in conjunction with the annual meeting. Additionally, there may be subcommittee meetings in the interim that meet face-to-face or via conference call.

Characteristics

The members of the Executive Committee provide the leadership and direction to ensure that the organization achieves its mission. Thus, in selecting its representative on the Executive Committee, members in the state are encouraged to select individuals available for a minimum of a two-year term that possess or are willing to cultivate the following characteristics:

1.) Desire and capacity to serve with the passion, dedication and commitment to the Alliance's mission and goals;
2.) Capacity to lead and inspire the Executive Committee to maintain the Alliance's position as an innovative organization focused on game changing opportunities to improve higher education for students and the nation;
3.) Requisite knowledge and expertise as an executive leader to identify and issue calls to action on opportunities and challenges in higher education and to influence policy in the state, regionally and nationally.
4.) Solicit input from Alliance members and other relevant stakeholders on Alliance areas of interest and represent these diverse views in Executive Committee discussions and decisions;
5.) Aware of and active in higher education's change and student success agendas at the state, regional, and national levels. (This includes such topics as transfer, cost of and
time to degree, developmental education, job placement, and other top concerns.); and as a plus
6.) Willing to contact, network and engage in conversation with prospective speakers and sponsors.

A great strength of the Alliance is the diversity of its members and their official representatives. The members of the Executive Committee include presidents, campus CAOs, and chief academic leaders at system and state agencies. This cross-mix of positions, as well as the variety in their areas of expertise they bring, ensures that the members of the Executive Committee are well informed and consider multiple perspectives in the actions they take. Thus, a state’s members are encouraged to seek the advice of the professional staff and Executive Committee prior to selecting their representative to determine if a particular need exists on the committee at that time.

COMMUNICATIONS POLICY

July 2018

To comply with the Western Alliance of Community College Academic Leaders’ bylaws (Article VI, Section 2: Ownership of Logo and Membership and Participant Lists), this Communications Policy was set by the Executive Committee on July 9, 2018.

All uses of the Western Alliance of Community College Academic Leaders’ logo, member contact list, and meeting participant lists must be approved by the Executive Committee. The Committee delegates this authority to its Director for the Alliance’s official activities. For all other requests for the use of these items by members and non-members, written approval from the Chair is required.

More specifics follow:

1. LOGO

The Western Alliance of Community College Academic Leaders was adopted by the charter members of the Executive Committee during the 2010-2011 membership year. They selected the logo, consisting of two interlocking triangles, to represent a new organization composed of strong academic leaders working together to bring about significant change in the higher education landscape. The logo references the name of the organization: “A” for “Alliance” and “Academic”. The triangle, a symbol of strength, is also the “delta” or fourth letter in the Greek alphabet and stands for difference or change.

The color “blue” is associated with depth and stability and symbolizes trust, loyalty, intelligence, wisdom and truth, while the color “red” is associated with energy, strength, power, determination and passion. The color “gray” is associated with formality and timelessness.

The Western Alliance of Community College Academic Leaders’ logo may appear in the format presented below. When appearing in color, the three-dimensional sides of the triangular images are in light blue (RGB 57/85/133), darker blue (RGB 0/25/75), and light red (RGB 222/152/125), and dark red (RGB 132/15/2) with the name of the organization in title case using the Myriad Pro Regular font in gray (RGB 110/111/114).

2. ALLIANCE LISTSERVS

All official representatives of Alliance member institutions and organizations are exclusively enrolled in the Alliance’s listserv—our official communications channel—and they and Alliance staff may post messages relevant to the membership at any time using the address: Alliance-ALL@listserv.wiche.edu. Executive Committee members are also exclusively enrolled in a listserv for communicating and conducting committee business and they and staff may post messages relevant to the Committee at any time using the address: Alliance-EC@listserv.wiche.edu.

3. ALLIANCE MEMBERSHIP CONTACT LIST

Member contact information is to be used expressly for the business and activities of the Western Alliance of Community College Academic Leaders. A copy of the membership contact list can be provided to official representatives of member institutions upon request for these purposes. Occasionally, non-members may request use of the list for a specific purpose relevant to the membership. In such instances, a copy of the content of the message, description of the distribution method, and proposed timing must be included in the letter of request addressed to the Chair of the Executive Committee. Written approval by the Executive Committee is required in advance of the staff providing the list. The contact information may be used only for the message and timing submitted for approval; the information cannot be stored by the requesting party in a database for any additional or future use.

4. ALLIANCE ANNUAL MEETING PARTICIPANT LIST FOR SPONSORS- Policy adopted July 9, 2015

The Alliance annual meeting sponsorship program gives sponsors an opportunity to increase their visibility in this select community of chief academic officers for the WICHE region. It is an opportunity for sponsors to learn more about the issues academic leaders are facing and to network with them in a smaller and more intimate setting.

Sponsorship levels and the associated benefits will be approved by the Alliance executive committee each year at the planning meeting for the annual conference.

The meeting participant list with contact information will be distributed to the sponsors one week in advance of the meeting. Sponsors may request a list without contact information prior to that for planning purposes. Sponsors and all others may not sell or distribute the participant list of any Alliance meetings to any other organization. In addition, sponsors may not schedule any outside activities involving Alliance participants that may conflict with the annual meeting agenda.

5. SOCIAL MEDIA

The Alliance encourages its members to use the hashtag #TBD with Twitter, etc. If the Alliance chooses to use social media (Twitter, Facebook, LinkedIn, etc) a consistent username of @TBD should be used. If social media accounts are created, they should be monitored by Alliance staff, or members of the Alliance Executive Committee, or an Alliance member assigned by the Executive Committee.
