Data is not Enough

Data is the beginning not the end.
Data is not knowledge.

Data is not a silver bullet.

Data is not an extra.

Data is not owned.

Data is not a change-agent.
SO MUCH DATA...
LITTLE

CHANGE
“The Four Disciplines of Execution”
McChesney, Covey, Huling
“Focus on W.I.G.”
“Act on lead measures”
“Develop a cadence of accountability”
“Create a compelling scoreboard”
A = Accountability
B = New Processes
C = Culture Change
It’s all about what is best for students.
