The Call for Race, Equity and Inclusion
Relevant Pedagogy and Equitable Classroom Climate
Dr. Luz María Gordillo
Integrative Learning

- Integrate learning from different sources
- Provide models and frameworks
- How to apply them
“Tying things together that don’t seem obvious”
Fostering Partnerships

• Curricular innovations depend on pedagogies that support them
• Make integrative learning a campus-wide concern
• Service learning
• Study abroad
• Internships
Social Media and Learning

• Integrate social media into the curriculum
• Take part in larger social justice movements through assignments
• Example: “Yes We Can: Women in STEM Fields” Online series of interviews with women in STEM fields for Women’s History Month
• Students post and participate - options
Leading Campus Change

- Design initiatives strategically – Curriculum
- Support faculty creatively – Faculty recognition and grant opportunities
- Build networks beyond campus – Advisory Boards
- Create diversity-specific strategies – Diversity Council
The Call for Race, Equity and Inclusion

Engaging students beyond the classroom

Global Learning

Discovery in every discipline
