Qualifications for Serving on the Executive Committee

Guidelines for State’s Members Selecting their Representative

Referenced in the bylaws: Article III, Section 2a

The Forum members’ official representatives in each state determine who among them will serve as their representative on the Executive Committee. The method used for this process is at the discretion of the members in each state. These guidelines are intended to articulate the level of commitment and the characteristics of individuals who would be meaningful contributors to the Forum Executive Committee.

Commitment

Executive Committee members are expected to attend two face-to-face meetings; one in the summer for planning and the second in conjunction with the annual meeting. Additionally, there may be subcommittee meetings in the interim that meet face-to-face or via conference call.

Characteristics

The members of the Executive Committee provide the leadership and direction to ensure that the organization achieves its mission. Thus, in selecting its representative on the Executive Committee, members in the state are encouraged to select individuals available for a minimum of a two-year term that possess or are willing to cultivate the following characteristics:

1.) Desire and capacity to serve with the passion, dedication and commitment to the Forum's mission and goals;
2.) Capacity to lead and inspire the Executive Committee to maintain the Forum's position as an innovative organization focused on game changing opportunities to improve higher education for students and the nation;
3.) Requisite knowledge and expertise as an executive leader to identify and issue calls to action on opportunities and challenges in higher education and to influence policy in the state, regionally and nationally.
4.) Solicit input from Forum members and other relevant stakeholders on Forum areas of interest and represent these diverse views in Executive Committee discussions and decisions;
5.) Aware of and active in higher education's change and student success agendas at the state, regional, and national levels. (This includes such topics as transfer, cost of and
time to degree, developmental education, job placement, and other top concerns.); and
as a plus
6.) Willing to contact, network and engage in conversation with prospective speakers and
sponsors.

A great strength of the Forum is the diversity of its members and their official representatives. Thus, a state’s members are encouraged to seek the advice of the professional staff and Executive Committee prior to selecting their representative to determine if a particular need exists on the committee at that time.

COMMUNICATIONS POLICY

To comply with the Western Academic Leadership Forum’s bylaws (Article III, Section 2: Governance by the Executive Committee—e. Communications), the Executive Committee set this Communications Policy on July 19, 2018.

All uses of the Western Academic Leadership Forum’s logo and contact lists must be approved by the Executive Committee. The Committee delegates this authority to its Director for the Forum’s official activities. For all other requests for the use of the logo and/or contact lists by members and non-members, written approval from the Chair is required. More specifics follow:

1. LOGO

Prior to changing its name to the Western Academic Leadership Forum in 2008 when membership was expanded to include all WICHE states, the Forum was known as the Northwest Academic Forum (NWAF). Established in 1984 with 11 WICHE states, NWAF’s logo was a gyroscope-like image representing a spinning wheel or disc in which the axis of rotation is free to assume any orientation by itself. It had an arrow through the middle that pointed to the Northwest. When the organization changed its name in 2008, it retained the logo and its colors but modified the direction of the arrow to point due West.

The Western Academic Leadership Forum’s logo may appear in the format below. When appearing in color, the image is in green (RGB 61/104/98) with the name of the organization in title case using the Myriad Pro Regular font (gray - RGB 128/128/128, green - RGB 61/104/98). When the image is produced in black and white, the logo must appear in one of the same formats as below.

Horizontal Format (preferred)       Vertical Format
2. **LISTSERV**

All official representatives of Forum member institutions and organizations are exclusively enrolled in the Forum’s listserv—our official communications channel—and they and Forum staff may post messages relevant to the membership at any time using the address: Forum-ALL@listser.wiche.edu. Executive Committee members are also exclusively enrolled in a listserv for communicating and conducting committee business and they and staff may post messages relevant to the Committee at any time using the address: Forum-EC@listserv.wiche.edu.

3. **MEMBERSHIP CONTACT LIST**

Member contact information is to be used expressly for the business and activities of the Western Academic Leadership Forum. For these purposes, a copy of the membership contact list can be provided upon request by staff to official representatives of member institutions. Occasionally, non-members may request use of the list for a specific purpose relevant to the membership. In such instances, a copy of the content of the message, description of the distribution method, and proposed timing must be included in the letter of request addressed to the Chair of the Executive Committee. Written approval by the Executive Committee is required in advance of staff providing the list. The contact information may be used only for the message and timing submitted for approval; the information cannot be stored by the requesting party in a database for any additional or future use.

4. **SPONSOR ACCESS TO ANNUAL MEETING PARTICIPANT LIST - Policy adopted June 29, 2015**

The Forum annual meeting sponsorship program gives invited sponsors an opportunity to increase their visibility in a select community. It is an opportunity for sponsors to learn more about the issues academic leaders are facing and to network with them in a smaller and more intimate setting.

Sponsorship levels and the associated benefits will be approved by the Forum executive committee each year at the planning meeting for the annual conference.

The meeting participant list with contact information will be distributed to the sponsors one week in advance of the meeting. Sponsors may request a list without contact information prior to that for planning purposes. Sponsors may not sell or distribute the participant list to any other organization. Sponsors may not schedule any outside activities involving Forum participants that may conflict with the annual meeting agenda.
