This list is not exhaustive. Twenty states are currently participating in SSI, in that they are receiving funds and operating SSI projects in their states, or they have completed their SSI projects and remained within the SSI Network: Arizona, Arkansas, Connecticut, Indiana, Kentucky, Louisiana, Maryland, Massachusetts, Michigan, Mississippi, Missouri, New Hampshire, Oklahoma, Rhode Island, South Dakota, Tennessee, Utah, Virginia, West Virginia, and Wyoming. WICHE is responsible for providing technical assistance, monitoring, oversight, and cost reimbursement to the SSI projects in these states. Four additional states previously were funded and operated and concluded SSI projects: Nebraska, New Jersey, New Mexico, and Washington.

SSI is administered by the Western Interstate Commission for Higher Education (WICHE), based in Boulder, CO, and funded by the U.S. Department of Education under the Carl D. Perkins Vocational and Technical Education Act of 1998 at \$6.6 million. The work reported herein was supported under State Scholars Initiative, PR/Award Number (V051U050006) as administered by the Office of Vocational and Adult Education, U.S. Department of Education.
