\$14.2M
SAVED

through PSEP
AY 2022

WESTERN UNDERGRADUATE EXCHANGE

WUE

Saves **UNDERGRADUATE** students
on out-of-state tuition. They pay
no more than 150% of in-state
tuition at partner institutions
across the West.

46,110
STUDENTS

chose WUE schools in the West

\$11,294
AVERAGE SAVINGS

for undergraduate students

WESTERN REGIONAL GRADUATE PROGRAM

WRGP

Saves students on out-of-state
GRADUATE certificate, master's,
and doctoral programs. They pay
no more than 150% of in-state
tuition at partner institutions
across the West.

3,269
STUDENTS

chose WRGP schools in the West

\$14,703
AVERAGE SAVINGS

for graduate students

PROFESSIONAL STUDENT EXCHANGE PROGRAM

PSEP

Helps students pursuing careers in
10 HEALTH FIELDS. They can enroll
in programs in the WICHE region
and receive substantial tuition
support from their home
state/territory.

10 WICHE states and the Commonwealth of the Northern Mariana Islands
**invested \$14.2 million to grow their healthcare workforce and reduced the
educational costs of 559 students.**

More than **120 accredited programs** are offered through PSEP at **62
institutions.**

A student can save between \$34,900 and \$136,700 on tuition over the lifespan
of a professional health degree program, depending on the field of study.

Regional collaboration

WICHE brings together senior academic leaders to foster dialogue about issues facing individual institutions through its leadership and professional development networks.

WESTERN ALLIANCE OF COMMUNITY COLLEGE

ACADEMIC LEADERS The Alliance is a consortium of leaders at community colleges, technical schools, and systems and state governing and coordinating boards associated with two-year institutions.

WESTERN ACADEMIC LEADERSHIP FORUM The Forum is a consortium of academic officers at four-year institutions, including those awarding bachelor's, master's, and doctoral degrees, as well as chief executives and chief academic officers for systems and state governing boards.

WESTERN ACADEMIC LEADERSHIP ACADEMY is a year-long professional development program for academic leaders aspiring to become chief academic officers in the WICHE region's postsecondary sector.

NO HOLDING BACK Twelve WICHE institutions are participating in a community of practice in which institutions are analyzing data and revising policies related to transcript and student holds in 2022-23.

INTERSTATE PASSPORT® is a national network of institutions that simplifies the transfer process, as well as saves students time and money as they successfully complete their degree.

COSTS-SAVINGS PROGRAMS Thanks to collaboration with the Midwestern Higher Education Compact (MHEC), one of four U.S. regional higher education compacts, WICHE-region educational institutions, nonprofits, and public education entities can benefit from three programs: MHECtech, which provides competitively bid purchasing contracts for an array of hardware, software, and technology services; MHECare, which provides a student health insurance plan and teletherapy services; and a MHEC Cyber Insurance Program, which offers risk transfer and advisory solutions.

STATE AUTHORIZATION RECIPROCITY AGREEMENT

(SARA) is a voluntary agreement that provides reciprocity for the state authorization of distance education. WICHE Commissioners have been strong advocates for protecting the state voice in important governance decisions affecting this agreement and staff continue to support participating states and improving student protections while bolstering access.

Optimal behavioral healthcare

WICHE Behavioral Health Program's (BHP) fastest-growing initiative is the **PSYCHOLOGY INTERNSHIP CONSORTIA**, which helps build the behavioral health workforce pipeline, particularly in rural or remote areas. WICHE contributes an administrative framework, American Psychological Association accreditation, and other support for consortia across the WICHE region, which include:

- ▶ Alaska Psychology Internship Consortium (AK-PIC)
- ▶ Guam Psychology Internship Consortium (GU-PIC)
- ▶ Hawai'i Psychology Internship Consortium (HI-PIC)
- ▶ Idaho Psychology Internship Consortium (Idaho-PIC)
- ▶ Nevada Psychology Internship Consortium (NV-PIC)
- ▶ New Mexico Psychology Internship Consortium (NM-PIC)
- ▶ Oregon State Hospital Psychology Internship Program (OSH-PIP)
- ▶ Utah Psychology Internship Consortium (UT-PIC)

RURAL COMMUNITIES OPIOID RESPONSE PROGRAM

(RCORP) is a multiyear initiative supported by the Health Resources & Services Administration to identify treatment barriers and best practices for preventing and treating substance use disorder. BHP provides technical assistance to 76 grantees across the U.S., supporting 36 grantees in the WICHE region.

TOGETHER WITH VETERANS (TWV) – RURAL VETERAN SUICIDE PREVENTION PROGRAM

enlists rural Veterans and local partners to join forces to reduce Veteran suicide in their own community. Funded by the US Department of Veterans Affairs and administered by the WICHE BHP, TWV provides communities with individualized coaching, tools, training, technical assistance, and resources to implement the program in their own communities. The BHP supports 35 rural communities as far east as New Hampshire and as far west as Guam, and of those, supports 11 rural communities in the WICHE region.

WICHE BHP, in partnership with the University of North Dakota College of Education and Human Development and with funding from the Substance Abuse and Mental Health Services Administration (SAMHSA), co-administers the **MOUNTAIN PLAINS MENTAL HEALTH TECHNOLOGY TRANSFER CENTER (MP-MHTTC)**. The MP-MHTTC provides comprehensive training, resources, and technical assistance to mental health providers and other practitioners in the SAMHSA Region 8. Region 8 is comprised of Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming.

In October 2022, WICHE BHP was awarded a multiyear grant from SAMHSA to establish the **MOUNTAIN PLAINS RURAL OPIOID TECHNICAL ASSISTANCE CENTER OF EXCELLENCE (MP ROTAC)**. The MP ROTAC develops and disseminates resources, training, and technical assistance that focuses on opioid and stimulant misuse in rural areas throughout SAMHSA's Region 8.

Sound public policy

KNOCKING AT THE COLLEGE DOOR is the leading U.S. resource for projections of college-ready students. *Knocking*, which includes a quadrennial publication with additional analysis, is essential for postsecondary policymakers, planning and workforce efforts, and economic development. Visit knocking.wiche.edu to access reports, interactive dashboards, webinars, presentations, as well as state-level data.

DATA RESOURCES WICHE offers curated data and policy resources to support better-informed decision-making. WICHE's research projects and collaborations cover postsecondary completion, health workforce development, behavioral health in postsecondary education, open educational resources (OER), state finance, prior learning assessment, and more.

- **Tuition and Fees in the West** includes tuition, fees, and enrollment data about 350+ public institutions in the West.
- **Benchmarks: WICHE Region** presents information on the West's progress in improving access to, success in, and financing of higher education.
- Data on over 35 indicators in WICHE's **Regional Fact Book for Higher Education in the West**.

DATA EXPERTS WICHE staff provide analysis on finance, financial aid, articulation and transfer, strategic planning, student demographics, and more, as well as host peer-to-peer calls of state, system, and institutional chief academic officers to identify areas of potential collaboration and resource sharing across the West.

Innovative solutions

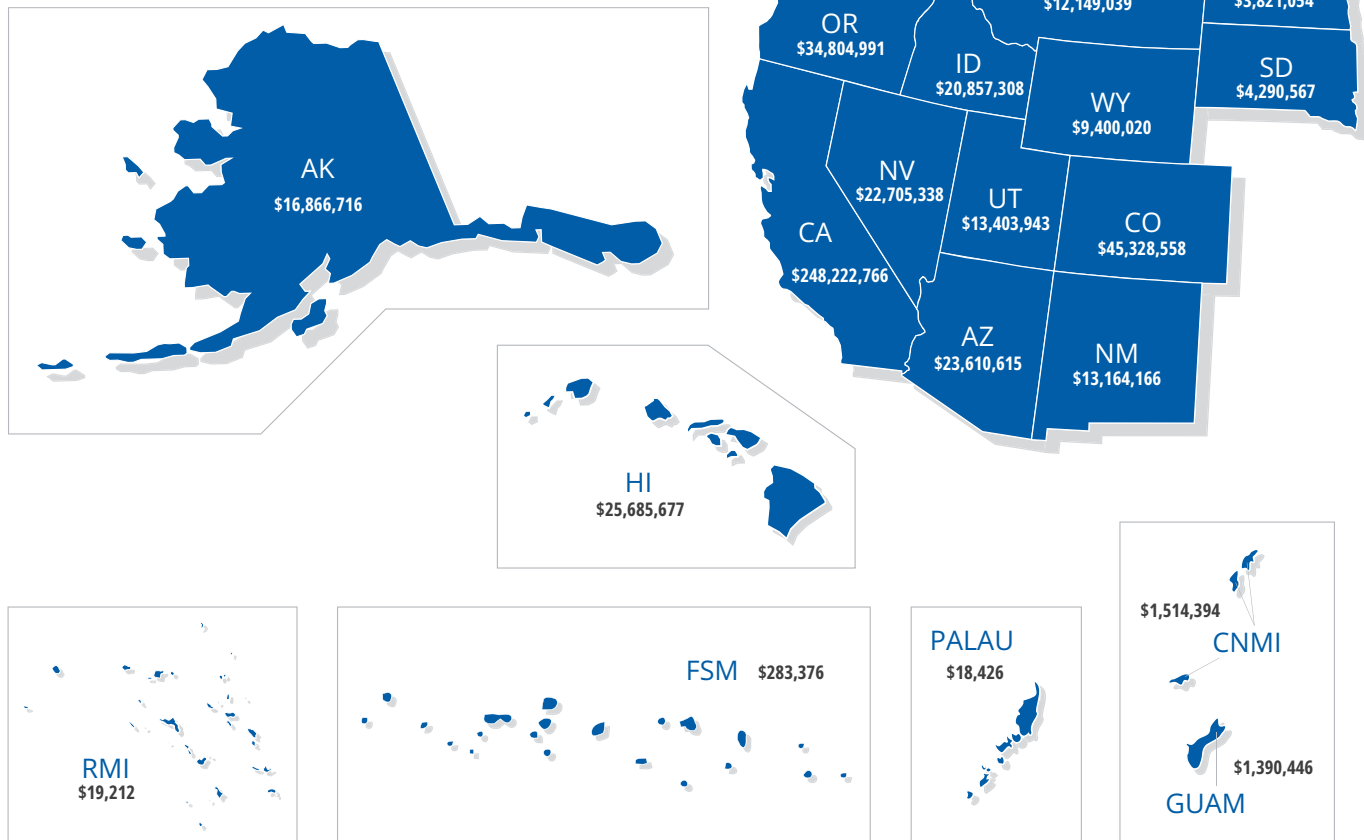

WCET – THE WICHE COOPERATIVE FOR EDUCATIONAL TECHNOLOGIES is the leader in the practice, policy, and advocacy of technology-enhanced learning in higher education. Its growing membership includes institutions, higher education agencies and systems, nonprofit organizations, government agencies, and corporations in all U.S. states and several Canadian provinces. See wcet.wiche.edu/current-members for a complete list.

STATE AUTHORIZATION NETWORK (SAN) helps guide institutions through state regulations around online courses and programs. See wcetsan.wiche.edu/member-institutions-organizations for a complete list.

WICHE has convened the **OERWEST NETWORK**, which is part of a nationwide collaborative to scale the development and adoption of free course materials. Open educational resources (OER) have shown promise in improving student outcomes, particularly for poverty-affected students, for whom the high cost of textbooks can be a barrier to postsecondary success.
