New Mexico participates in the **STATE AUTHORIZATION RECIPROCITY AGREEMENT (SARA)** through WICHE. This voluntary agreement provides reciprocity for the state authorization of distance education. WICHE Commissioners have been strong advocates for protecting the state voice in important governance decisions affecting this agreement and staff continue to support participating states and improving student protections while bolstering access.

## Optimal behavioral healthcare

WICHE Behavioral Health Program (BHP) works with partner agencies to develop a broad and culturally relevant training program to support the preparation and retention of doctoral-level psychologists through the **NEW MEXICO PSYCHOLOGY INTERNSHIP CONSORTIUM (NM-PIC)**.

BHP facilitates the program's development, ensures it meets American Psychological Association (APA) accreditation standards, and assists in the accreditation process. The NM-PIC is currently working with its second cohort of interns.

The BHP supports 35 rural communities as far east as New Hampshire and as far west as Guam, and of those, supports 11 rural communities in the WICHE region. The TWV program has a recently established site in Taos, New Mexico, which to date has served approximately 65 rural veterans.
