PROFESSIONAL STUDENT EXCHANGE PROGRAM

Helps students pursuing careers in **10 HEALTH FIELDS**. They can enroll in programs in the WICHE region and receive substantial tuition support from their home state/territory.

80 Wyoming students paid reduced tuition for healthcare studies not offered by public institutions in their home state.

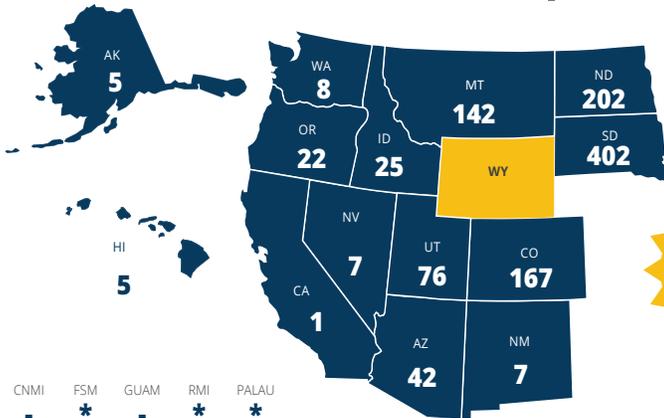

55% of Wyoming's PSEP graduates returned home to practice (2012-16 for physicians, 2012-21 for all other fields). Students are contractually required to return, except for those studying veterinary medicine.

The University of Wyoming and the local economy can benefit from PSEP. Its doctor of pharmacy program can enroll students from other WICHE states. Enrolling institutions receive a support fee paid by the students' home states to reduce their tuition costs.

427% ROI gained on Wyoming's WICHE membership dues (\$159,000/FY 2023)

WHAT STUDENTS ARE SAYING

"I am so thankful to Wyoming and WICHE for the support to complete my Doctor of Physical Therapy (DPT) degree. Professional healthcare education is a huge financial burden, but PSEP has significantly reduced my student debt. Upon graduation, I will help the citizens of Wyoming live an active and healthy life through exercise and physical activity."

KEVIN Wyoming resident, Doctor of Physical Therapy, Rocky Mountain University of Health Professions

Regional collaboration

WICHE brings together senior academic leaders to foster dialogue about issues facing individual institutions through its leadership and professional development networks.

WESTERN ALLIANCE OF COMMUNITY COLLEGE ACADEMIC LEADERS – 2-YEAR INSTITUTIONS

WESTERN ACADEMIC LEADERSHIP ACADEMY is a year-long professional development program for academic leaders aspiring to become chief academic officers in the WICHE region. Six cohort members from Wyoming institutions have participated in the Academy since its inception in 2015.

NO HOLDING BACK Laramie County Community College is one of 12 WICHE institutions participating in a community of practice in which institutions are analyzing data and revising policies related to transcript and student holds in 2022-23.

INTERSTATE PASSPORT® is a national network of institutions that simplifies the transfer process, as well as saves students time and money as they successfully complete their degree. Network members include Casper College, Laramie County Community College, University of Wyoming, and Western Wyoming Community College. We attended the state articulation summit in which all institutions participated.

COSTS-SAVINGS PROGRAMS Thanks to collaboration with the Midwestern Higher Education Compact (MHEC), one of four U.S. regional higher education compacts, WICHE-region educational institutions, nonprofits, and public education entities can benefit from three programs: MHECtech, which provides competitively bid purchasing contracts for an array of hardware, software, and technology services; MHECare, which provides a student health insurance plan and teletherapy services; and a MHEC Cyber Insurance Program, which offers risk transfer and advisory solutions.

Wyoming participates in the **STATE AUTHORIZATION RECIPROCAL AGREEMENT (SARA)** through WICHE. This voluntary agreement provides reciprocity for the state authorization of distance education. WICHE Commissioners have been strong advocates for protecting the state voice in important governance decisions affecting this agreement and staff continue to support participating states and improving student protections while bolstering access.

Optimal behavioral healthcare

WICHE Behavioral Health Program (BHP) co-administers the **MOUNTAIN PLAINS MENTAL HEALTH TECHNOLOGY TRANSFER CENTER (MP-MHTTC)**. The MP-MHTTC provides comprehensive training, resources, and technical assistance to mental health providers and other practitioners in the SAMHSA Region 8. Region 8 is comprised of Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming.

In October 2022, WICHE BHP was awarded a multiyear grant from SAMHSA to establish the **MOUNTAIN PLAINS RURAL OPIOID TECHNICAL ASSISTANCE CENTER OF EXCELLENCE (MP ROTAC)**. The MP ROTAC develops and disseminates resources, training, and technical assistance that focuses on opioid and stimulant misuse in rural areas throughout SAMHSA's Region 8.
