30 Utah students paid reduced tuition for health care studies not offered by public institutions in their home state.

49% of Utah's PSEP graduates returned home to practice (2012-21). Students are not contractually required to return.

Utah's institutions and their local economies benefit too. This year, 29 PSEP students enrolled in programs located in Utah. Institutions received \$770,100 in support fees to reduce the students' tuition costs.

WHAT PEOPLE ARE SAYING

“ Students who come into our school through WICHE’s PSEP bring a perspective that aligns with our school’s mission, vision, and values. We are grateful for PSEP because it helps our program reach its enrollment goals and allows students to pursue their professional career goals while incurring less debt. We are proud to partner with WICHE and its PSEP program! ”

ALEX STEELE, Associate Director of Admissions, University of Utah School of Dentistry

Regional collaboration

WICHE brings together senior academic leaders to foster dialogue about issues facing individual institutions through its leadership and professional development networks.

WESTERN ACADEMIC LEADERSHIP ACADEMY is a yearlong professional development program for academic leaders aspiring to become chief academic officers in the WICHE region. Three cohort members from Utah institutions have participated in the Academy since its inception in 2015.

Utah participates in the **STATE AUTHORIZATION RECIPROCITY AGREEMENT (SARA)** through WICHE. This voluntary agreement provides reciprocity for the state authorization of distance education. WICHE Commissioners have been strong advocates for protecting the state voice in important governance decisions affecting this agreement and staff continue to support participating states and improving student protections while bolstering access.

Optimal behavioral healthcare

WICHE Behavioral Health Program (BHP) co-administers the **MOUNTAIN PLAINS MENTAL HEALTH TECHNOLOGY TRANSFER CENTER (MP-MHTTC)**. The MP-MHTTC provides comprehensive training, resources, and technical assistance to mental health providers and other practitioners in the SAMHSA Region 8. Region 8 is comprised of Colorado, Montana, North Dakota, South Dakota, Utah, and Wyoming.

In October 2022, WICHE BHP was awarded a multiyear grant from SAMHSA to establish the **MOUNTAIN PLAINS RURAL OPIOID TECHNICAL ASSISTANCE CENTER OF EXCELLENCE (MP ROTAC)**. The MP ROTAC develops and

disseminates resources, training, and technical assistance that focuses on opioid and stimulant misuse in rural areas throughout SAMHSA's Region 8.

WICHE Behavioral Health Program (BHP) administers the **RURAL COMMUNITIES OPIOID RESPONSE PROGRAM (RCORP)**, a multiyear initiative supported by the Health Resources & Services Administration to identify treatment barriers and best practices for preventing and treating substance use disorder. BHP provides technical assistance to 76 grantees across the U.S., supporting 36 grantees in the WICHE region. RCORP supports three grantees across five sites in Utah: University of Utah, Southern Utah University, and Intermountain Healthcare, Inc.
